12/31/13 9:52:00 AM : etorres2 : It appears you are very misinformed.

It is my understanding the ONLY recipient of that picture was your client, Mr. Craig Taylor. Neither Mr. Taylor nor Atlas is identified in the photo. There was NOT a mass message sent to anyone that included that photo and there was DEFINITELY NOT a message sent to anyone purporting to be "from Atlas" as both Mr. Sinn and myself do not want to be associated with that rag of a shop.
